

1st Asian ICMC and CSSJ 50th Anniversary Conference

Nov. 7-10, 2016

The Kanazawa Kageki-za, Kanazawa, Japan

Save the date!!

Don't miss the new series of International Cryogenic Materials Conference (ICMC) in Asia, and joint conference on 50-years celebration of the Cryogenic and Superconductivity Society of Japan (CSSJ).

Kanazawa is a cozy city with traditional Japanese culture and beautiful natures, also good access from Tokyo by newly opened bullet train: Hokuriku-Shinkansen.

Scope:

- Cryogenic Materials
- Superconducting Materials, Wire and Tapes
- Magnet, Power Device and Systems
- Superconducting Electronics
- Cryocooler and Cooling Systems

**Abstract submission:
New deadline is Sep. 14, 2016**

1st Asian ICMC and CSSJ 50th Anniversary Conference

Plenary Speakers:

- **Dr. Qiang Li,**
(Brookhaven National Lab., USA)
- **Dr. Wilfried Goldacker,**
(Karlsruhe Institute of Technology, Germany)
- **Professor & Dr. Liye Xiao,**
(Institute of Electrical Engineering, CAS, China)
- **Dr. Y. J. Won,**
(Korea Electric Power Corporation, Korea)
- **Prof. Hiroyuki Ohsaki,**
(The University of Tokyo, Japan)

Asian Topics Speakers:

- **Prof. Yanwei Ma,**
(Institute of Electrical Engineering, CAS, China)
- **Dr. Seung Hyun Moon,**
(SuNam, Korea)
- **Dr. Triptisekhar S. Datta,**
(Inter University Accelerator Centre, India)
- **Prof. Ali Gencer,**
(Ankara University, Turkey)
- **Dr. Chris Bumby,**
(The Robinson Research Institute, New Zealand)

Publication:

Manuscripts will be published in (1) **Special Issue of Superconductor Science and Technology (SUST)** and (2) **Journal of Physics: Conference Series (JPCS)** both from IOP Publishing.
