

[For ORAL presenters]

Remote Speaker Test Site is now available until Nov. 18 (Th). Please access and check your on-line oral presentation condition **by one day before your session** as follows.

- 1) Check your camera, speaker and microphone condition by zoom test site.
<https://zoom.us/test>
- 2) If your sound and video are OK, please visit the Remote Speaker Test Site.
<https://zoom.us/j/96591351467?pwd=dTVIMVRZNMlTcTh0UkFveW5Vd0JRZz09>
- 3) When you access the zoom test site, the recording will start automatically.
- 4) Turn on your camera and microphone.
- 5) Put your presentation code, your name, e-mail address in the chat space. (ex: MON-OR1-101-01, Taro Yamada, yamada@tokyo.ac.jp)
- 6) Start screen sharing with your slide and say something. The title slide of your presentation is recommended to show in the shared screen.
- 7) If it would be no problem, leave from zoom.
- 8) MT27 program committee will check your connection later. If there may be problem, we will contact you.
- 9) If you would have a trouble, pre-recorded video is recommended to be uploaded for buck up.
